Next Monday—Meetings Will

The Mason County Teachers' Institute will be held in the Third Street M. E. Church of this city beginning next Monday morning and lasting the remainder of the week. All of the 66 teachers in the county will be expected to attend every session.

Two noted instructors of the state will be present throughout the week. Miss Miriam Noland and Prof. R. P. Green will be ready at any time to answer any question the various teachers may wish to ask them.

Miss Noland will have charge of the Lewisburg school this term, coming from Eastern Normal School where she has been a teacher. She will show the institute the organization, discipline and instruction of one-teacher school.

Prof. R. P. Green of Bowling Green, teacher in the Western Normal School, will instruct the group teachers.

On Wednesday afternoon the commencement exercises of the Eighth Grade of the county schools will be held. The address to the graduates will be made by Rev. W. B. Campbell of the First M. E. Church, South. A large number of graduates will take part in the exercises and the exercises will be rather interesting. Prof. R. P. Green will present the certificates of graduation from the eighth grade to the students.

The program for the various days will be announced in the Ledger as they are given out by Miss Yancey, the superintendent of the county schools.

## RAILWAY STRIKE

May Cause Delay in Annual Conference of Methodist Church at Berea—Church Notes.

Prayer meeting service at the Third Street M. E. Church this evening at 7:30 o'clock led by the pastor. This will be the last prayer meeting before conference and the pastor would be greatly pleased to see a large attendance. Choir will practice at close of prayer meeting.

Next Sunday will be the last Sunday until after conference. The pastor and Official Board urge the members to all attend this the closing service of the conference year. It is hoped that the church may present its banner report to the conference this year. It is up to the membership to assist.

The Conference will meet next Wednesday at Berea. Revs. Literal of this church and A. F. Felts of East Maysville will leave early next week to attend. Whether others attend will depend on the railway situation. If the strike goes into effect it may become necessary to postpone the conference. However nothing official has been given out as yet. Bishop Anderson will be the presiding Bishop. Many changes in pastors is expected at this conference. Maysville will likely have two new pastors as Rev. Felts resigned sometime ago, and it is understood that Rev. Literal expects to change locations this year. The preachers and laymen are all hoping that the strike may be averted and that nothing will interfere in their having a good conference, as the Berea people are making great preparations to entertain this body of churchmen.

## PROPOSED LAW IF ENACTED BY SAUTRDAY WILL PREVENT STRIKE

Trainmen's Head Says That Brotherhoods Are Satisfied With 8-Hour Day and Present Wages—Leaders of the Two Factions Mark Time.

CONGRESS SUSPENDS OTHER BUSINESS TO CONSIDER RAILROAD SITUATION—OFFICIALS HOPEFUL

Railroads in All Sections of Country Prepare to Meet With a Walk-Out.

Washington, August 30—All the railroad brotherhood heads were obviously pleased tonight after a careful study of the proposed bill to fix an eight hour work day for trainmen engaged in the interstate commerce at present wages and for an investigation of results by a Commission. W. C. Lee, head of the Trainmen's Brotherhood, made the unequivocal statement that the enactment of such a law by midnight Saturday night would avert the strike.

Washington, August 30—All the influence of the administration was brought to bear today in an effort to persuade the railroad brotherhood leaders to cancel or postpone the order calling a nation-wide strike Monday, while leaders in Congress began paving the way for legislation designed to prevent or stop the threatened industrial catastrophe. Little tangible progress was made in either direction, but nevertheless in official quarters tonight, there still prevails confidence that in one way or another, the walkout would be averted.

To the spokesmen of President Wilson who approached them, all of the brotherhood officials gave the same reply that they had no power to recall the strike order and that only one thing—"a satisfactory settlement"—could keep their men at work after 7 o'clock Monday morning. Further pressure will be brought to bear, and, as a last resort, the President is considering a public appeal to the men themselves to have the order rescinded.

## Proposed Enactment Approved

Apparently the legislation which is being counted upon to save the brotherhoods is that part of the President's program which would fix an eight-hour day for railroad employees engaged in operating trains in interstate commerce, and provides for an investigation of its effects by a commission or board. This embodies the principle features of the President's original plan, accepted by the trainmen, and W. G. Lee, head of the trainmen, said tonight that any enactment with a guarantee of the present rates of daily pay would be regarded by the brotherhood leaders as a satisfactory settlement.

Immediately upon its becoming a law, he said, the brotherhood leaders would send out the code measure notifying general chairmen that the strike order should not go into effect. Even some of the Congressional leaders who opposed other features of the program say such a law could be passed.

## Congressmen to Hear Factions

The Senate virtually sidetracked the emergency revenue bill for an all-day debate on the crisis, while the Interstate Commerce Committee arranged for hearings beginning at 9 o'clock tomorrow morning when representatives of both sides will be heard. Three hours will be given to each side, and then the committee will begin drafting legislation into shape for presentation to the Senate Saturday.

One dominant thought in the minds of members of Congress generally resulted in the introduction late in the day of a resolution by Senator Blair Lee, of Maryland, calling upon officials of the railroad brotherhoods to postpone execution of the strike order for one week to give Congress sufficient time for intelligent consideration of legislation suggested in President Wilson's message. The resolution was referred to the Interstate Commerce Committee without discussion.

## Emergency Legislation First

Opinions in the Senate, after the general debate, concentrated on the urgent necessity for emergency action first, proposals for permanent legislation to be considered thoroughly after danger of an immediate tie-up had been passed. This sentiment was echoed in conference of House leaders.

The Interstate Commerce Committee discussed the proposed legislation late in the day, but postponed action until after tomorrow's hearing. In the meantime word came from the House side that Representative A. J. A. (Continued on fourth page)

## FREE CONCERT

Will Be Given by the Blue Grass Concert Band Tonight at the Corner of Market and Second Streets—Excellent Music Promised.

The Blue Grass Concert Band of this city will give a concert on the corner of Market and Second streets tonight at 7:30 o'clock. The concert will be free and no offering of any kind will be taken.

Several months ago the band promised the Maysville merchants that if they could get support in buying instruments and uniforms they would give several concerts on the streets this summer. They have been unable to make good their promise thus far as several of the members have been sick and they felt as if they would like to have the entire band together when the concert were to be given. Tonight's concert will probably be the first of several the band will give during the fall.

Tonight's concert will be as follows:

March, Show Girl.....Will Huff  
March, Our Waving Colors.....Ray Hall  
Waltz, Margaret.....Carton  
Serenade, Silly Night.....Will Huff  
Overture, Arbitration.....Bernard  
March, Sinfonia.....Al Hays

## INTERMISSION

March, Booster.....Klein  
Serenade, Evening Breezes.....Al Hays  
Overture, Inspiration.....Haynes  
Waltz, Pond Lilies.....Al Hays  
Barn Dance, Uncle Remus.....Bean  
National Emblem.....Bagley  
The success of the band has depended largely upon the efforts of Manager J. H. Randolph and Director Perry. These two men have worked unceasingly to make the band an institution in this city and their efforts have been crowned with much success. The band has made quite a name for itself in the surrounding country and is very much in demand for gatherings where music is desired.

A glance over the program for tonight's concert will show at once the class of music the band plays. They have practiced quite a bit for the exhibition tonight and they feel that the Maysville people will be proud of their band. Come out and hear them.

## WILL BRICK EXTENSION

The Second street extension will be bricked this fall according to Mr. Noland, one of the members of the firm of Vastine, Noland and Lowrey. The work on the curb will be begun this week and then the work will be pushed along steadily. He stated that that street might be entirely finished before East Second street would be. The steam shovel in the Sixth Ward will be brought down to do the remainder of the excavating on East Second and the extension.
